MAIN ACTIVITIES

TRADE & POLICY SUPPORT

Provide comprehensive statistics on textile trade, address trade barriers, and support export promotion.

PRODUCT DEVELOPMENT & CERTIFICATIONS

Support the development of high value-added textile prototypes and help Korean companies obtain international export certifications.

SUSTAINABILITY & SMART MANUFACTURING

Promote low-carbon production processes, support automation and digital transformation in textile manufacturing to enhance sustainability.

MARKETING SUPPORT

Support Korean Textile companies in participating in global trade shows and organize Seoul Premium Textile (SPT) in Korea.

HUMAN RESOURCE DEVELOPMENT

Cultivate professional specializing in business innovation and link them to employment opportunities within the textile sector.

Korea Textile Trade Association (KTTA) is a leading non-profit organization dedicated to supporting, preserving, and advancing Korea's textile industry.

From fashion textiles to technical textiles, KTTA implements a wide range of initiatives that foster sustainable growth and global competitiveness across the entire textile value chain.

We are committed to helping our member companies — primarily small and medium-sized enterprises (SMEs) — gain easier access to government policies, resources, and business opportunities.

As the organizer of Seoul Premium Textile (SPT), KTTA aims to connect Korean textile companies with domestic and international buyers, enhancing Seoul's reputation as a leading hub for textiles and fashion worldwide.

Through our expertise, professional information services, and practical tools, we empower Korean textile companies to develop advanced technologies, expand exports, and contribute to national economic growth and job creation.

Partner with KOTRA

Partner with Korea

For over 62 years, KOTRA has been promoting trade and supporting the business of Korean companies overseas and foreign companies in Korea. Korea's SMEs offer endless innovations and opportunities.

129 doors to Korea, countless opportunities.

The success of global business is envisioned when you meet KOTRA

13, Heolleung-ro, Seocho-gu, Seoul, Korea (06792)
Tel : 82-1600-7119 <http://www.kotra.or.kr>

kotra
Korea Trade-Investment
Promotion Agency

about kotra

KOTRA, initially the Korea Trade Promotion Corporation, are established in 1962 as a national trade promotion organization. Since then, it has successfully facilitated Korea's rapid export-led economic development through various trade promotion activities such as overseas market surveys and business matchmaking.

In August 1995, cross-border investment promotion and support for technological and industrial cooperation projects was added to KOTRA's mandate, and it was renamed the Korea Trade-Investment Promotion Agency(KOTRA).

KOTRA currently operates Invest KOREA, the national investment promotion agency. Originally initiated as the Korea Investment Service Center(KISC) in 1998, the agency was relaunched as Invest KOREA in November 2003 to support foreign investors by offering more powerful incentives and an expanded range of services.

KOTRA is now well-equipped to pursue its twin mandates of trade and investment promotion to enhance national prosperity and competitiveness, with the ultimate goal of positioning Korea as the business and economic hub of Northeast Asia. With its long-term experience and expertise, KOTRA serves and assists all interested parties worldwide to do business with Korea.

In order to execute its mandates more efficiently, KOTRA has opened an extensive worldwide network of overseas Korea Business Centers. As of 2023, 129 Korea Business Centers are operating in 84 countries

And to take maximum advantage of the era of E-Commerce, KOTRA launched the interactive Internet portal sites of INVEST KOREA Online in 2003 and BuyKorea in 2004, respectively.

KOTRA Academy was launched in 2003 as a professional learning center for international business. In the long run, KOTRA's well-trained trade and investment manpower, armed with relevant theoretical and practical knowledge, will bolster the nation's trade and investment infrastructure.
